Types

The image shows a screenshot of a web application window titled "WINDOW1". The window has a dark header bar with standard window controls (minimize, maximize, close) on the right. The main content area is a light blue-grey color and contains two distinct form sections, each enclosed in a rounded rectangular border.

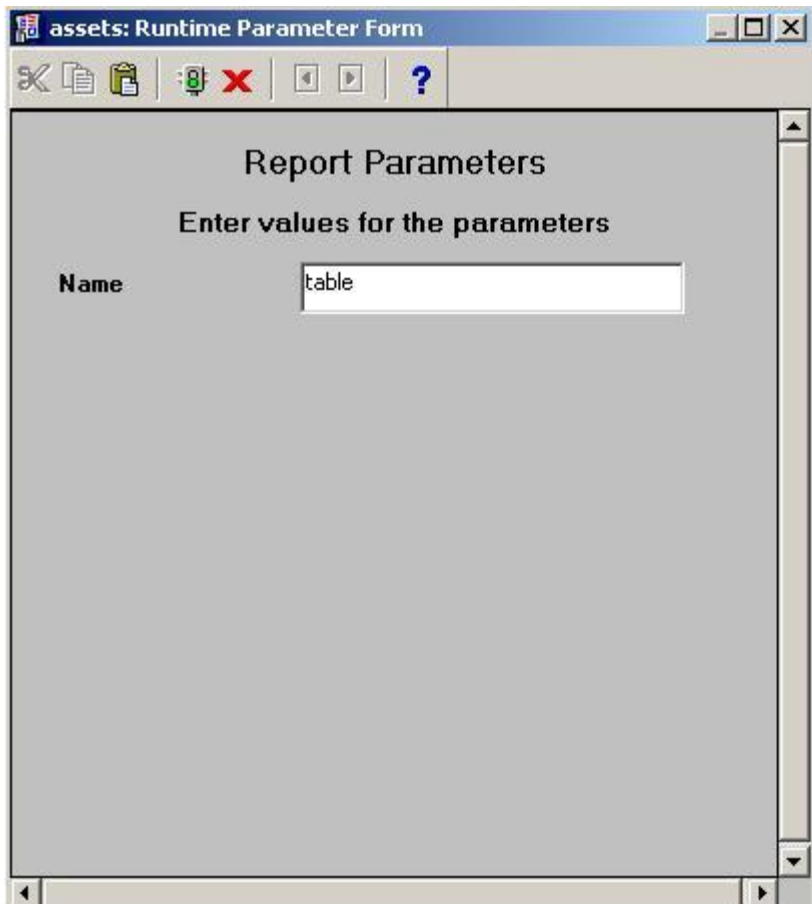

The first section is titled "Type" and contains two input fields: a text input labeled "Name" and a button labeled "Type List".

The second section is titled "Assets" and contains five input fields, each with a label to its left: "Assetid", "Assetname", "Type", "Location", and "Available".

Oracle Reports:

There are both ways you can run the report, on internet explorer or from the report builder:
